# 技术前沿 月报

The title '技术前沿月报' is rendered in a large, bold, red serif font. The characters '技' and '术' are positioned above '前' and '沿', which are above '月' and '报'. A horizontal black line passes through the middle of the characters. To the left of the characters, there is a stylized target symbol consisting of two concentric red circles and a vertical black line intersecting them. The bottom portion of the target symbol is highlighted in green.
